SHARE BUY-BACK STATEMENT

IN RELATION TO

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES OF UP TO 10% OF THE TOTAL NUMBER OF ISSUED SHARES OF THE COMPANY

1. INTRODUCTION

On 8 November 2021, the Board announced to Bursa Securities that the Company proposes to seek its shareholders' approval for the Proposed Share Buy-Back Renewal at the forthcoming AGM.

The purpose of this Statement is to provide you with the details of the Proposed Share Buy-Back Renewal and to seek your approval for the ordinary resolution pertaining to the Proposed Share Buy-Back Renewal to be tabled under Special Business at the forthcoming AGM.

2. PROPOSED SHARE BUY-BACK RENEWAL

2.1 Details of the Proposed Share Buy-Back Renewal

The Company is proposing to seek a renewal of share buy-back authority from the shareholders at the forthcoming 29th AGM of Prolexus to be convened virtually on 23 December 2021 for the Company to purchase up to 10% of the total number of issued shares of the Company.

The Proposed Share Buy-Back Renewal will be effective immediately upon passing of the ordinary resolution pertaining to the Proposed Share Buy-Back Renewal by shareholders of Prolexus at the forthcoming AGM and will continue to be in force until :-

- a) the conclusion of the next AGM of Prolexus at which such resolution was passed at which time the authority would lapse unless by ordinary resolution passed at the next AGM, the authority is renewed, either conditionally or subject to conditions; or
- b) the expiration of the period within which the next AGM of Prolexus after that date it is required by law to be held; or
- c) the authority is revoked or varied by ordinary resolution passed by the shareholders of Prolexus in a general meeting;

whichever occurs first.

2.2 Maximum Limit

The total issued share capital of the Prolexus as at LPD is 276,570,013. A total of 9,398,100 Prolexus Shares were held as treasury shares as at LPD.

The maximum number of Prolexus Shares which may be purchased and/or held by the Company as treasury shares under the Proposed Share Buy-Back Renewal, if approved at the

forthcoming AGM, will be 10% of the total number of issued shares of Prolexus excluding treasury shares retained by Prolexus.

The actual number of Prolexus Shares to be purchased and the timing of such purchase will depend on amongst others the prevailing equity market conditions and sentiments of the stock market as well as the retained profits and financial resources available to the Company at the time of the purchase.

2.3 Source of Funds

The Proposed Share Buy-Back Renewal will be financed through internally generated funds and the Shares will be purchased from the open market on Bursa Securities. The maximum funds to be allocated by the Company for the purchase of Prolexus Shares on open market shall not exceed the retained profits of the Company.

Based on the latest audited financial statements of Prolexus for the financial year ended 31 July 2021, the Company's retained profits account was at RM134,958,255.

2.4 Public Shareholding Spread

As at LPD, the public shareholding spread of Prolexus was 76.34% with 5,903 shareholders. Assuming that the Proposed Share Buy-Back Renewal is carried out to a maximum of 18,258,901 Prolexus Shares and held as treasury shares, the public shareholding of the Company would potentially be reduced to 74.60%.

The Board will be mindful of the public shareholding spread requirement before making any purchases of Prolexus Shares.

2.5 Implications of the Code

The Proposed Share Buy-Back Renewal is not expected to trigger the obligation to undertake a mandatory offer under the Code by any of the Company's substantial shareholders and/or parties acting in concert with them.

The Board is aware of the requirements of the Code and will be mindful of the requirements when making any purchase of the Prolexus Shares pursuant to the Proposed Share Buy-Back Renewal.

2.6 Purchase Price and Resale/Transfer Price

In accordance with the Main LR, Prolexus may only purchase its own shares on Bursa Securities at a price which is not more than 15% above the weighted average market price for Prolexus Shares for the 5 Market Days immediately before the date of purchase(s). An immediate announcement will be made to Bursa Securities of any purchase(s) of its own shares on the date of purchase.

Where Prolexus decides to resell or transfer the treasury shares on Bursa Securities, the Company may only do so at:-

- a) a price which is not less than the weighted average market price for Prolexus Shares for the 5 Market Days immediately before the resale or transfer; or
- b) a discounted price of not more than 5% to the weighted average market price for the Prolexus Shares for the 5 Market Days immediately before the resale or transfer provided that :
 - i) the resale or transfer takes place not earlier than 30 days from the date of purchase or transfer; and

- ii) the resale or transfer price is not less than the cost of purchase of Prolexus Shares being resold or transferred.

2.7 Treatment of Shares Purchased

In accordance with the Act, the Board may deal with the Prolexus Shares so purchased in the following manner:-

- a) cancel the Shares so purchased; or
- b) retain the Shares so purchased as treasury shares; or
- c) retain part of the Shares so purchased as treasury shares and cancel the remaining Shares; or
- d) distribute the treasury shares as dividends to shareholders and/or resell on Bursa Securities and/or transfer the Shares or any of the Shares for purposes of or under an employees' share scheme and/or transfer the Shares or any of the Shares as purchase consideration and/or cancel all or part of them; or
- e) sell, transfer or otherwise use the Shares for such other purposes as the Minister may by order prescribe.

2.8 Ranking of Shares Purchased

In the event the Shares so purchased pursuant to the Proposed Share Buy-Back Renewal are held as treasury shares, the rights attached to them as to voting, dividends and participation in other distribution and otherwise are suspended.

The treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of the Act, the Constitution of Prolexus or the Main LR in respect of substantial shareholding, the requisitioning of meetings, the quorum of a general meeting and the result of a vote on a resolution at a general meeting.

2.9 Potential Advantages and Disadvantages

The potential advantages of the Proposed Share Buy-Back Renewal are as follows :-

- a) The Company's share capital base will be reduced pursuant to the Proposed Share Buy-Back Renewal, which may increase the likelihood of a higher dividend rate being declared in the future;
- b) With the Shares so purchased being retained as treasury shares, it will provide the Board with an option to sell the treasury shares at a higher price and therefore make a gain for the Company; and
- c) The treasury shares can also be distributed as share dividends to reward the shareholders.

The potential disadvantages of the Proposed Share Buy-Back Renewal are as follows :-

- a) Reduction of the financial resources of the Company available for distribution to the shareholders of the Company in the foreseeable future;
- b) Resultant opportunity costs for the Company as better investment opportunities may be foregone in the future with the reduction in financial resources of Prolexus Group available upon implementation of the Proposed Share Buy-Back Renewal; and

- c) Deprive the Group of interest income that can be derived from the funds utilized for the Proposed Share Buy-Back Renewal.

The Proposed Share Buy-Back Renewal is not expected to have any potential material disadvantages to the Company and its shareholders and it will be implemented only after taking into consideration, amongst others, the financial resources of the Group, and of the resultant impact on the shareholders of the Company.

2.10 Details of Purchases or Resold or Transferred of Shares in Preceding 12 Months

The Company did not make any purchases or resold or transferred any treasury shares in preceding 12 months and up to the LPD.

2.11 Details of Cancellation of Shares in Preceding 12 Months

The Company did not cancel any Shares retained as treasury shares in preceding 12 months and up to the LPD.

3. RATIONALE OF THE PROPOSED SHARE BUY-BACK RENEWAL

The procurement of the shareholders' approval for the Proposed Share Buy-Back Renewal would enable the Company to purchase its own Shares as and when appropriate and at market prices which the Board views favourable.

The Proposed Share Buy-Back Renewal will enable Prolexus to utilise any of its surplus financial resources, which is not immediately required for other uses, to purchase its own Shares from the open market.

The Shares so purchased by the Company can be held as treasury shares and resold on Bursa Securities at a higher price. The Company may also utilise the treasury shares as share dividends for future dividend pay-out.

5. EFFECTS OF THE PROPOSED SHARE BUY-BACK

5.1 Issued Shares

The effect of the Proposed Share Buy-Back Renewal on the total number of issued shares of Prolexus will depend on the intention of the Board with regard to the treatment of the Shares so purchased.

If the Shares so purchased are retained as treasury shares, resold or distributed to shareholders as dividends, the Proposed Share Buy-Back Renewal will not have any effect on the total number of issued shares of the Company. However, if the Shares so purchased are cancelled, the total number of issued shares of Prolexus will be reduced by the number of Shares so cancelled.

Assuming the maximum number of Prolexus Shares are purchased and subsequently cancelled, the pro forma effects of the Proposed Share Buy-Back Renewal on the total issued shares of the Company are as follows :-

	No. of Shares
Total number of issued Shares (excluding treasury shares) as at LPD	267,171,913
Assuming maximum Shares to be purchased under the Proposed Share Buy-Back Renewal are cancelled	(18,258,901)
Total number of issued Shares in the event the purchased Shares are cancelled	248,913,012

5.2 Earnings and EPS

The effect of the Proposed Share Buy-Back Renewal on EPS of the Group will depend on the actual number of Shares purchased, the price paid for the Shares and the effective cost of funding of the Group.

5.3 Net Assets

The effect of the Proposed Share Buy-Back Renewal on the net assets per Share of the Group will depend on the actual purchase price of the Shares and the effective cost of funding, loss in interest income of the Company and the treatment of the Shares so purchased.

Assuming the Shares so purchased are retained as treasury shares, the net assets per Share will decrease due to the accounting requirements for treasury shares to be carried at cost resulting in a decrease by the cost of the treasury shares.

Assuming the Shares so purchased are resold, the net assets per Share upon the resale will increase if the Company realises a gain from the resale, and vice versa.

Assuming the Shares so purchase are distributed as dividends, the net assets per Share of the Group will be reduced by the cost of the treasury shares.

5.4 Working Capital

The Proposed Share Buy-Back Renewal will reduce the working capital of the Company, the quantum of which will depend amongst others, the number of Shares purchased and the purchase price of the Shares.

6. DIRECTORS' RECOMMENDATION

The Board, after considered the rationale for the Proposed Share Buy-Back Renewal, is of the opinion that the Proposed Share Buy-Back Renewal is in the best interest of the Company. As such, the Board recommends that you vote in favour of the ordinary resolution to be tabled under Special Business at the Company's forthcoming 29th AGM.
